

Embrace the JOY of parenting.

An Active Parenting group is starting soon!

We are proud to bring the acclaimed **Active Parenting** program directly to you! This workshop will show you effective ways to...

- use nonviolent discipline that really works
- open up lines of communication—before they get clogged
- teach responsibility, courage, and other important character traits
- encourage school success in 7 steps
- prevent future problems with drugs, alcohol, and violence
- defuse power struggles with your children
- stimulate independence as your child grows older
- stop scolding and start smiling with your kids again!

Active Parenting will give you skills to achieve a fuller, more satisfying family life... and help your children achieve greater happiness and success. Written by Dr. Michael Popkin, one of the nation's foremost experts on parenting education, this course will show you a proven-effective approach to parenting that will lead to more harmony and happiness for you and your children. You'll learn 7 strategies for school success, along with positive discipline and communication techniques to help your family run more smoothly.

But the heart of the matter is the increased JOY you will experience as a family. Since 1983 over three million parents have learned from this dynamic discussion program — and now, so can you!
